

Since Covid, we are gradually building back the choral program, with vocal workshop/flexible rehearsals and choral special music once a month. We are working on music for December 11 "Lessons and Carols" Service. Any aspiring or former singer is welcome to join! We strive to rehearse and to perform in as safe of an environment as possible.

Choir Rehearsals are currently held in the sanctuary the First & Third Thursdays the month, at 6:30 p.m. and the last Sunday morning of the month, following the worship service – 11:30 a.m. December rehearsals will vary, as we prepare for "Lessons and Carols" on December 11 morning worship service.
