

KINGDOM KIDS

2022 FALL-WINTER CURRICULUM

Preschool – 1st Grade

We will be following the stories and points found in Faith Studios Jr., a curriculum from Rivers Edge Curriculum.

Faith Studios Jr. is a place where kids learn about faith from the heroes of Hebrews 11. They will discover that faith is choosing to believe in what cannot be seen and showing trust by taking action on that belief. As they encounter each of the cast of characters from Hebrews 11, they will experience how each character lived out their faith and how to apply faith to their own lives. We will talk about Abel, Noah, Abraham, Jacob, Joseph, Moses, and Rahab.

2nd-5th Grade

The elementary group will be using Identity Kids, a curriculum from Deeper Kidmin.

There are many voices in this world teaching our children an identity. The lessons in this series help kids learn important truths about who God says they are. Bible stories and conversation will help them understand that they are redeemed, a child of God, valuable, chosen, God's masterpiece, and strong & victorious.
